

Citizens!

Please note that as a result of our drought, the Village has entered "Phase 3: Serious Conditions" of the water conservation plan. This means the following:

No outdoor watering between the hours of 10:00 a.m. and 6:00 p.m.

Customers shall be allowed to wash their vehicles and to water lawns, landscaping, etc. one day per week with sprinklers as follows:

- (1) Even addresses on Tuesday
- (2) Odd addresses on Wednesday
- (3) Customers are encouraged to limit their water to two hours daily, per area to be watered.

Both even and odd addresses may hand water or drip irrigate plants, flowers and tree wells any day of the week. Customers using this provision are encouraged to water not more than one hour, per day, per area to be watered.

Plants, flowers and tree wells may be watered by the use of hand held buckets or sprinkler cans that have been filled from hose bibs or interior faucets every day of the week.

Watering the soccer fields pursuant to the lease between the Village of Ruidoso and the Ruidoso Municipal School District is permitted in this phase.

Watering Eagle Creek, North Park, Gavilan Canyon, and White Mountain Fields is permitted in this phase.

Thank you for your cooperation.
